Planning Boards, Zoning Boards of Adjustment & Combined Boards
Mandatory Training Programs

Mandatory Training Courses
(State Required)
In accordance with State Law, within 18 months of appointment, all members of Planning Boards and Zoning Boards of Adjustment must participate in five hours of mandatory training. All such programs on this agenda are designed according to the standards published by the NJ Department of Community Affairs in the NJ Register, Monday, July 17, 2006 (CITE 38 N.J.R. 3019), Vol. 38, #14, N.J.A.C. 5:87. The curriculum in each session, course outlines and instructors’ credentials were submitted to the Department of Community Affairs to ensure that attendees at these training sessions will fulfill mandatory training obligations. Certificates of completion are issued by DCA following successful completion of the five-hour program and a test. NJPO was certified as a training organization for these programs in 2006.
