RELIGIOUS LAND USE AND INSTITUTIONALIZED PERSONS ACT (RLUIPA)

3:00 PM - 4:30 PM Room - 314 Atlantic City Convention Center

RLUIPA is a Federal Law that requires municipal zoning laws, as they relate to religious land uses and institutionalized persons, to be the least restrictive methods to achieve a public purpose. This panel of experts will share war stories and offer guidance to help you, as a board member, work through the often confrontational and legally challenging aspects of this federally protected land use. "Continuing Education Credits are free to NJPO members, non-member all-inclusive conference fee is \$50. Courses require registration with NJPO and a League Conference registration."
