PLANNING FOR MILLENNIALS

1:00:00 PM - 2:30:00 PM Room - Room 405, Atlantic City Convention Center

Shifting demographics require changes in planning. Millennials are changing the way municipalities plan. Walkable development and less car dependence is of concern rather than the separation of land uses. High end amenities are valued over ownership as rental by choice” becomes the new norm. Come hear experts explain how this shift in demographics could impact your community.
