## A Resolution of the New Jersey Planning Officials

Whereas Frank H. Doyle served on the Board of Directors of the New Jersey Planning Officials for more than 40 years, and

Whereas, the goals of the New Jersey Planning Officials were furthered by his wisdom and tireless efforts, and

Whereas, he served as President of NJPO from 1992 to 1995, a period of critical transition, and

Whereas, his leadership and hard work enabled NJPO to effectively serve its constituency and broaden its expanse, and,

Whereas, he never lost focus on NJPO's responsibility to educate all members of planning boards and zoning boards of adjustment, and

Whereas, every community in New Jersey, the adopted state of this New York native, benefited from his interest and toil,

Now, therefore, we, on behalf of the Board of Directors and members of the New Jersey Planning Officials, on this day of April 14, 2011, acknowledge his importance to the organization and deeply regret his passing on April 2, 2011, and extend heartfelt sympathies to his family.
